- Charcoal pants and black socks are **MANDATORY** with all combinations.
- **Umpire Belt** must be black leather. **Patent Black Leather** is preferred.
- Shoes should be black or a predominant color of black with white, and always be free of dirt and scuffs. No cleats, tennis shoes, or sneakers.
- Contact your partner at least 48 hours prior to game time to talk about what time and place to meet, and what colors to bring/wear. If wearing Powder or Black, it is a good idea to specify the style (Regular or MLB Style) that you have.
- Approved HCUA patch should be worn over chest pocket, and only used when doing HCUA contracted games.
- Uniforms should be pressed and free of wrinkling.
- For cold weather, same-colored jackets and long sleeve umpire shirts are acceptable. Hoodies are not acceptable and should not be worn.
- Dirty and sun-bleached umpire clothing is noticed. Replace your items regularly and when needed.
- Take care of your uniform, and it will take care of you and last longer.
